With Veterans Day on Wednesday of that week, it doesn't look like the best week for two days of meeting and travel.

Just a reminder of when the NRRB/CSTAG meeting is. No dates yet, but will be 2 days and in Portland. Since this is a controversial site and the Administrator is signing the ROD, we will need several members there. Because Reg. 10 will be giving us a couple of briefings before then, we should be well prepared at the meeting and be able to more quickly draft our recommendations.
